

## FIACLEs offer CE for FEDOPTO members in Colombia

IACLE members **María Victoria Báez** and **Alfredo Huertas** provided 8 hours of Continuing Education (CE) to FEDOPTO's members in Florencia, Colombia (23 September). This activity was generously sponsored by Bausch + Lomb.

FIACLEs **Myriam Mayorga** and **Fernando Ballesteros** played a prominent role in another Continuing Education Program in Montería, Colombia (30 September). This event is part of intensive CE program that FEDOPTO is offering throughout Colombia. Initial examination, contact lens technology and designs to improve comfort and compliance and achieve successful fittings were the topics Myriam and Fernando covered. This activity was sponsored by Alcon, Essilor and Servioptica.

## IACLE LA delivers Web Lecture in Colombia

With the attendance of 26 IACLE members, IACLE Americas Regional Coordinator **Guillermo Carrillo** delivered an online lecture on the use of IACLE resources for new members through FEDOPTO (29 September). The whole group is working hard to achieve a successful Fellowship Exam.
