IACLE today...

IACLE
International Association
of Contact Lens Educators

IACLE currently has 845 active members at 625 institutions in 78 countries worldwide

Americas: 187

Europe / Africa – Middle East: 207

Asia Pacific: 451

What has IACLE achieved?

Over four decades....

- One organization
- Active in 91 countries
- Brought together 2,500 members in nearly 1,500 institutions
- Educating 170,000 students
- Instrumental in fitting an estimated 250,000,000 CL wearers worldwide

CELEBRATING 40 YEARS

Exceptional Education. Exponential Impact.

- 1 organization
- 91 countries
- 2,500 members
- 170,000 students
- 250,000,000 contact lens wearers

IACLE has supported the world's contact lens educators with unparalleled resources for four decades. We've brought together 2,500 members in 91 countries, who have instilled their knowledge to 170,000 students. We estimate that more than 250 million people have experienced the life-changing benefits of contact lenses as a result.

40TH ANNIVERSARY EVENTS

IACLE will mark its 40th year with anniversary events in the UK, the Philippines, Colombia and the United States during 2019

IACLE in the future...

IACLE
International Association
of Contact Lens Educators

University-level education faces an uncertain future:

- Educational methods that will revolutionize the educator's role
- Technological developments in our own discipline
- More schools opening worldwide
- New forms of contact lens practice

IACLE will continue to develop:

- New teaching and assessment tools
- New resources, programs and events
- New delivery platforms

What can IACLE do for
you?

IACLE
International Association
of Contact Lens Educators

WHAT CAN IACLE DO FOR YOU?

IACLE provides practical support to educators to:

- Enhance your contact lens teaching
- Measure students' knowledge and skills
- Advance your own knowledge and skills
- Achieve recognition through Fellow of IACLE status
