Haiying visits college in ancient city of Suzhou

IACLE China National Coordinator **Professor Wang Haiying** organized an Institute Visit to Suzhou Vocational Health College last month (10 September). Haiying met with **Professor Jia**, director of the college's optometry department, and **Niu Yan**, director of its optometry clinic, along with IACLE members **Nia Ji, Lijun Dang, Ning Li and Wenhui Yuan**.

Haiying (pictured below center) introduced IACLE's educational projects and latest developments to teachers and students. She emphasized the advantages of IACLE resources and demonstrated how to use these to prepare lectures, as well as encouraging the educators to organize the [Student Trial Exam](#).

Suzhou Vocational Health College is an advanced full-time college and the only provincial higher health vocational college directly under the governance of Jiangsu Province. Located in the ancient city of Suzhou known as 'Heaven on Earth', the college has a total area of over 500,000 square meters and a construction area of over 230,000 square meters.

The optometry department and affiliated eye hospital of Suzhou Vocational Health College were established in 2005. They have trained nearly 600 graduates, whose employment rate is consistently maintained at 100%.

Seoul and Dongnam host latest Korean events

Third-year students from [Kookje University](#) in Korea attended an Industry Seminar (pictured above) at the [Johnson & Johnson Institute](#) in Seoul last month (20 September). J&J Vision's **Jae-Min Kim, Jung-min Lee** and **Hyun-young Byun** lectured on ultraviolet and toric lens technology, and equipped students with knowledge of the company's products.

IACLE Korea National Coordinator **Professor Kyounghee Park** from Kooje University attended the seminar and also paid a recent visit to the Department of Optometry & Vision Science at [Dongnam Health University](#) (18-19 August). Kyounghee (pictured below) lectured to Dongnam's students using the [New IACLE Contact Lens Course](#) (New ICLC) and met with university staff **Professor Ok Jin Lee** and FIAKLE **Professor Hee Kyung Park**.

- Dates and venues for the annual Members' Meetings in China and Korea are 15-16 November at [Tianjin Vocational Institute](#), to coincide with the Fellowship Exam (16 November) and 6-7 December at [Baekseok University](#), Chungchung-do.
