IACLE LA Office on Radio – IACLE in the World

Each week, **Guillermo Carrillo** interviews IACLE members from across the LA regions on different contact lens topics. The program would like to give thanks to the sponsorship of www.franjavisualradio.com.

Members from different parts of the region take part and share their experiences on the educational markets.

This month's topics were based around: Specialty CLs, orthokeratology, challenges in new biosecurity protocols in CL practice and myopia control and CLs for irregular corneas.

A total of six IACLE members took part this month, including **Sergio García** (Colombia), **Javier Prada** (Costa Rica), **Carolina**
