

Colombia hosts TLC webinar

FIACLE **Dr Jorge Vargas** from Colombia hosted a webinar on the topic of 'Diagnosing keratoconus using ocular tomography' (14 September). Dr Vargas explained how to use device display modes to assess early conditions, and how to use this information to improve contact lens fitting. Over 100 attendees tuned into the session across Zoom, IACLE's Facebook page and YouTube.

IACLE LA Office on Radio – IACLE in the World

Every week, Americas Regional Coordinator **Guillermo Carrillo** interviews IACLE members from across the LA region on different contact lens topics, thanks to the sponsorship of www.franjavisualradio.com.

Members from different parts of the region take part and share their experiences on the educational markets.

This month's topics were: 'Shared experiences in contact lens practice', 'Should we specialize to fit and sell daily disposable contact lenses?', 'GPs complications management', and 'Multicurve contact lenses'.

Participating this month were: **Jose Lay, Aldo Ortiz, Fernando Rodriguez, Eduardo Elvira, Juan Camilo Cuesta, Alejandra De la Hoya** and **Jeannine Hernandez**.

To date, we have reached 13 LA countries: Colombia, Perú, Mexico, Ecuador, Argentina, Guatemala, Bolivia, Chile, Costa Rica, Panama, Nicaragua, Honduras and Brazil.

Franja Visual Radio is a web-based radio station and now has an audience of over 300 eye care practitioners. The program is titled 'IACLE in the World' and takes place every Wednesday from 11:00 to 12:00 am (UTC-5).

Recorded programs can be recovered [here](#) or through [ivoox](#).
