

China National Coordinators conduct webinar with guest speakers

IACLE China National Coordinators **Professor Qu Xiaomei** and **Professor Wang Haiying** conducted a webinar with guest speaker Wan Zhao. The session was titled ‘Contact lens design and myopia control’ where almost 60 members attended.

近视防控与接触镜

会议主持

瞿小妹教授 王海英教授

讲者

王翊

会议日程

时间	内容	主讲/讲者
20:00-20:05	会议主持	瞿小妹教授
20:05-20:45	从近视防控角度谈接触镜的设计	王翊 博士
20:45-21:00	讨论	王海英教授

为什么有效——医生说 (4) 减少巩膜缺氧

- 增加脉络膜血液灌注可以抑制豚鼠的形觉剥夺性近视

近视相关视觉刺激 → 脉络膜变薄, 血流减少 → 巩膜缺氧, 细胞外基质减少 → 近视
脉络膜变厚 → 减少巩膜缺氧 → 延缓近视

探讨范围——角膜塑形镜近视控制机理及相关镜片设计

- 仅从光学、物理学角度探讨、分析问题, 关于光谱、调节力、药理学等方面的机理, 不列入本次讨论范围。

Fitting ortho-k lenses in Korea

Korea National Coordinator **Professor Kyounghee Park** hosted a webinar for optometry students at [Kookje University](#) in Pyeongtaek, South Korea, on ‘Myopia management with orthokeratology’ (31 August). She explained how to fit ortho-k lenses using new modules from the [IACLE Contact Lens Course](#). She believes this session will be a great help to those students who will start to see patients in their clinics. [Catch up on the session.](#)

Students in India sit the Student Trial Exam

In July 2021, FIACLE **Ankit Varshney** from [Shree Bharatimaiya College of Optometry](#) in Surat, India, held the [Student Trial Exam](#) (STE). A total of 30 students sat the exam, with a pass rate of 47%. 'We have found IACLETOP to be a very effective and easy tool to use for both educating students and conducting the Student Trial Exam. From the students' perspective, sitting the STE was a great experience for them to explore various features. The Student Area provided access to various Case Reports, Flashcards, videos, presentations and much more. Finally, we would like to thank IACLE for creating IACLETOP and making life easy for contact lens educators,' says Ankit.

Indonesia host industry session

IACLE Silver Sponsor [Johnson & Johnson](#) hosted an industry seminar on 'Contact lens operating procedures' and 'How to fit toric lenses' at [Widya Husada School of Health Sciences](#) in Semarang, Indonesia (19 August). Johnson & Johnson also held an interactive session on Acuvue products. A total of 53 students and faculty attended the session.

FIACLE **Abdul Halim** hosted a webinar on 'The perfect fit of silicone hydrogels' where 14 members attended (15 August). The session was well received by members. [Catch up on the session.](#)
