

IACLE Americas Regional Coordinator invited to speak about fitting contact lenses

During August, the IACLE Americas Regional Coordinator Guillermo Carrillo was invited to speak at a [Johnson & Johnson](#) webinar in the Latin American region, focusing on 'Contact lens fitting in the pandemic' (19 August). The session reached over 250 eyecare professionals from Mexico.

At another event, organized by Grupo 20/20, Lifetime FIAACLE **Dr Sergio Garcia, Javier Prada** and IACLE Americas Regional Coordinator **Guillermo Carrillo** discussed various [Case Reports](#) with more than 250 attendees (25 August).

IACLE radio – IACLE in the World

Every week, Americas Regional Coordinator **Guillermo Carrillo** interviews IACLE members from across the Latin America region on different contact lens topics, thanks to the sponsorship of www.franjavisualradio.com.

Members from different parts of the region participate and share their experiences on the education markets. This month's topics included 'Contact lens practice in a community care model', where **Ruben Orduna** discussed contact lenses for correcting refractive error in a community model. **Ricardo Ruiz** spoke on 'Algorithm for keratoconus' giving a detailed explanation for adequate management of keratoconus with contact lenses. Finally, **Leticia Orozco** discussed strategies for having happy patients.

[Catch up on all Spanish-speaking webinars via IACLETOP](#)

We appreciate our members' active support and participation and invite you to join us every Wednesday throughout 2021 to discuss contact lens-related topics. A special thanks to Grupo Franja for sponsoring the program.
