

August 2022

## Latin American members collaborate with CooperVision LATAM

During July, [CooperVision](#) in the Latin America region held the 2022 International Contact Lens Summit, focusing on topics such as myopia management, sustainability in contact lenses, toric lens designs, multifocal lenses, and specialty lenses (1-2 July). Americas Regional Coordinator **Guillermo Carrillo**, Lifetime FIACLEs **Professor Ruben Velazquez** and **Ricardo Pintor**, and **Dr Andrea Puentes** held discussions during the event.

The event saw a large attendance of around 1,300 participants.

## IACLE on the radio

Every week, Americas Regional Coordinator **Guillermo Carrillo** interviews IACLE members from across the Latin America region on different contact lens topics, thanks to the sponsorship of [www.franjavisualradio.com](http://www.franjavisualradio.com).

Throughout July, the IACLE Latin America region heard from exciting speakers and topics, with a total of 137 IACLE members and eye care practitioners attending. **Dr Andres Rubio** spoke on 'Meibomian gland dysfunction in contact lens wearers'. **Guillermo Carrillo** shared his thoughts on IACLETOP and the benefits of taking the Student Trial Exam (STE). **Dr Edwin Mejia's** talk was on 'Contact lens fitting: a vehicle to professional growth'.

[Catch up on all Spanish-speaking webinars via IACLETOP](#)

We appreciate our members' active support and participation and invite you to join us every Wednesday throughout 2022 to discuss contact lens-related topics.
