IACLE at conferences across Latin America

The [Colegio de Optometristas del Azuay](#) invited Americas Regional Coordinator **Guillermo Carrillo** and Americas Regional Director **Professor Martín Giraldo** to the 9th National Congress and 7th international congress in Cuenca City, Ecuador (6-8 October).

Later in the month, Guillermo is speaking at the [Congreso Latinoamericano de Optometria y Optica](#) (CLOO) where he will participate as a keynote speaker (21-22 October). [See the program here.](#)

IACLE on the radio

The poster features the IACLE logo at the top left, followed by 'MIÉRCOLES DE CONTACTOLOGÍA'. Below that is 'INVITADA: The TLC Initiative' with a circular portrait of Sabrina Lara. The text reads 'SABRINA LARA' and 'TEMA: CONVERSANDO DE CASOS Y CASOS'. At the bottom, it specifies 'FECHA: 21 DE SEPTIEMBRE 2022' and 'HORA: 11 a.m. HORA COLOMBIA'. Social media icons for Facebook, Twitter, and Instagram are shown, along with the 'Franja Visual Radio' logo.

In September, the IACLE Latin America region heard from exciting speakers and topics, with 217 IACLE members and eye care practitioners attending. First, **Hector Paez** spoke on the role IACLE played in the latest FEDOPTO Conference. Next, **John Jairo Valencia** presented corneal contact lenses with irregular corneas and the clinical decision to fit this type of contact lens. Next, **Sabrina Lara** shared an interesting case series on how she is managing paediatric patients. Finally, **Laura Gutierrez** and **Fausto Rangel** spoke on changing perspectives in contact lens practice and how they manage their contact lens practice.
