## Special Notice – IACLE 2021 Virtual Conference

Registration is now open for IACLE's Virtual Conference 'Integrating research into education'

'Integrating research into education' is the theme for IACLE's second global Virtual Conference, taking place on **Saturday 24 April** from **12 noon until 3pm UK time (BST)**. International experts will share their knowledge and experiences on how to combine research and education to become a successful academic.

**Members can join this free half-day event via Zoom by registering:**

### **Conference Registration**

The conference will be chaired by Vice President **Professor Philip Morgan** and introduced by President **Dr Shehzad Naroo**.

The program features presentations on:

- Evidence-based teaching
- An editor's perspective on which articles are published
- Nailing an abstract
- Critically reviewing a manuscript
- How to conduct a journal club
- Costing a research proposal
- Forging successful research collaborations

**PLUS** a panel discussion on 'Students' research: challenges and potential solutions', with international speakers **Professor James Wolffsohn, Stefan Bandlitz, Monica Chaudhry, Dr Yazan Gammoh** and **Dr Orlando Neira**.

IACLE Executive Manager of Educational Programs **Nilesh Thite** commented: 'Research is increasingly becoming an important part of an educator's profile, which is why the theme of our Virtual Conference is 'Integrating research into education.' The topics are selected considering our members' requirements and the speakers are the authority in their respective field. We look forward to yet another successful conference with maximum participation.'
