Special Notice – IACLETOP Survey

IACLE launches survey on its 2020 / 2021 activities

Over the past year, we have changed our methods of delivering education in response to how the COVID-19 pandemic has continued to affect our teaching.

Since April 2020, when we introduced the latest version of the [IACLE Contact Lens Course](#) (ICLC2020), we have launched our own teaching online platform, [IACLETOP](#), to deliver innovative IACLE resources and programs. We also began [The Teach. Learn. Connect Initiative](#), to supplement our educational activities with online events and new communication channels.

Please help us respond to your needs by sparing a few minutes to complete our survey on these recent activities
