## Special Notice – New Board of Director Positions

IACLE appoints new Board of Director positions

We are pleased to announce the new officer roles for the Association. **Professor Philip Morgan** has been elected by the Board as President with **Dr Shehzad Naroo** moving to the Vice President position. **Dr ETTY BITTON** has been elected as Treasurer / Secretary. In addition to these three named officer positions, the IACLE Board also include three newly-elected Directors – **Dr Renée Reeder**, **Dr Byki Huntjens** and **Fakhruddin Barodawala**.

**Professor Philip Morgan** commented, 'It is a great honor to have been elected as IACLE President and I'm truly grateful to the Board for this opportunity. I have been a member of IACLE for 28 years and I have experienced at first hand the

positive impact of the Association on my own contact lens teaching. I was very fortunate to be able to attend the first IACLE World Congress at the University of Waterloo in 1994 and the incredible experience of that meeting meant I have been a keen advocate of the Association ever since. I'm excited to have the opportunity to serve as President; I believe that IACLE is a unique and precious organization, and I look forward to working alongside our staff, Board and sponsors to deliver our global mission.'
