

Special Notice – New Sponsor Ophtecs

IACLE announces Ophtecs as a new sponsor

Ophtecs

We are pleased to announce that IACLE has a new Bronze Sponsor – [Ophtecs Corporation](#), a contact lens care solution manufacturer based in Japan.

Founded in 1981, Ophtecs aspires to contribute to the comfortable contact lens wear for all types of wearers. This desire has driven the company to develop unique and innovative contact lens care solutions, distributed in over 15 countries. Ophtecs' corporate mission is to 'Contribute to the Global Ophthalmic Field'. To achieve this, they open their doors to the global market and continue to research and develop new products by having the care for contact lens wearers at heart.

CEO and President of Ophtecs **Joe Yoneda** commented, 'We are very excited to be a part of IACLE's activities and we look forward to working closely with the Association.'

Mr Fumio Saito CTO and Executive Director said, 'We are happy and honoured to be a part of this worldwide organization. We are looking forward to working with IACLE and its members for a long time.'

IACLE President **Dr Shehzad Naroo** welcomed our new sponsor, saying, 'IACLE is very pleased to announce our new sponsor. Ophtecs are a provider of contact lens care products based in Japan with a global reach. This comes at an exciting time for IACLE as we start our plans to grow our membership and develop more educational resources. Partnerships like this are the key to our success.'

IACLE Vice President **Professor Philip Morgan** also said, 'It's fantastic news for IACLE and our members that we welcome Ophtecs as a new sponsor. The sponsors are an integral part of IACLE, and the Executive Board regularly speak with our sponsor colleagues to update them on our activities, and to discuss issues facing our members. With this in mind, we look forward to working with our colleagues at Ophtecs and all our sponsors to continue our work towards IACLE's mission of developing outstanding contact lens educators.'
